4 Parts

4.1 Required

4.2 Optional

5 Lab

5.1 Sensor Basics

5.1.1 Button

If already familiar with the button, please skip to Section 5.1.2.

5.1.2 Potentiometer

If already familiar with the potentiometer, please skip to Section 5.1.3.

5.1.3 Photocell

If already familiar with the photocell, please skip to Section 5.1.4.

5.1.4 Tilt Switch

If already familiar with the tilt switch, please skip to Section 5.1.5.

5.1.5 Touch Switch

If already familiar with the touch switch, please skip to Section 5.1.6.

5.1.6 Temperature Sensor

If already familiar with the temperature sensor, please skip to Section 5.1.7.

5.1.7 Custom Build Push Button

If already familiar with the custom built push button, please skip to Section 5.2.

5.2 Sound Basics

5.3 Simon Says Basics
